

About Us

A-Cubed Risk Solutions provides a modular approach to insurance and risk management, by understanding your needs to simplifying the risk process into smaller, manageable components in crafting tailored insurance solutions.

The cube represents the definitive approach, applied in challenging complacency to deliver a distinctive service.

We eliminate the pitfall of a one-size-fits-all approach to insurance and risk management.

Our team has a diverse mix of skills, with combined industry experience in excess of 50 years.

A-CUBED
RISK SOLUTIONS

risk and insurance simplified

A-Cubed Risk Solutions is a Corporate Authorised
Representative of SureInsurance Advisers Pty Ltd
AFSL 525177 | ABN 11 642 332 698

What we Do

Our aim is to deliver the best, most effective insurance and risk solutions to our clients across Australia.

We take the time to understand your needs by providing **expert advice** to mitigate risk, delivering a **personalised service** and guiding you when it comes to your personal and business insurance needs.

This allows us to provide tailored insurance solutions that protect and benefit you and your business.

"Your trusted risk and insurance partner"

Why Choose Us

- > We have access to a network of over **150 Insurers** and we are a member of the Steadfast group, Australasia's largest independent insurance broker network.
- > We **simplify** your insurance needs and help **navigate complexity**.

Our Services

We pride ourselves in delivering exceptional professional service with access to innovative products that provide comprehensive cover at very **competitive** rates.

Business and Consumer Insurance

Tailor made insurance solutions to protect your most important assets.

Outsourced Insurance Management and Risk Advisory

We act as your outsourced risk and insurance specialist allowing your company executives to focus on their core business while we manage your insurance and risk management programme, including offering flexible engagement terms to suit your budget.

Wholesale Placement and Specialty Insurance

Partner exclusively with licensed insurance brokers, to facilitate insurance placements for clients with complex needs and hard-to-place risks.
